

VILLAGE CASHLESS

DID YOU KNOW THE HSBC NEW ZEALAND SEVENS IS CASHLESS?!

Cashless means no cash, credit card or Eftpos can be used to purchase goods or services at the event. Funds must be loaded onto your Village Cashless RFID wristband and scanned at the point of sale to purchase food, beverage and merchandise... and anything else you need to buy.

You'll receive ONE wristband per ticket holder. Keep it on all weekend – it's the only way to pay for items at the event. You'll need to be wearing your wristband for any onsite refunds.

HOW? IT'S EASY!

1. ONLINE TOP-UP

Go to www.sevens.co.nz and top-up your account prior to 5pm on Friday 25 January. You'll need to enter your ticket barcode – Remember to top-up your Saturday ticket if you are attending both days.

2. COLLECT YOUR WRISTBAND

You can pick up your wristband from midday on Thursday 24 January, or from 10am Friday 25 January in Garden Place, Hamilton. Alternatively, pick these up at the event gate on Saturday and Sunday.

4. ENTER THE EVENT

At the event, show your ticket and ID, then show or receive a wristband and get accredited for purchasing alcohol.

5. ONSITE TOP-UP

If you haven't topped up online, head to a top-up booth to add funds to your wristband (via card or cash).
